

# The Program of CHINA MINING 2017

Friday, Sept.22<sup>nd</sup>, 2017 PM

	<p><b>Inaugural Meeting of China Mining International Productivity Cooperation Enterprises Alliance</b>                  (Banquet Hall, 4<sup>th</sup> Fl, Crown Plaza Hotel, Tianjin Meijiang Center)                  Hosted by: China Mining Association                  Chair: Yu Qinghe, Vice President &amp; Secretary-General , China Mining Association</p>
15:30-16:00	<p><b>Preliminary Meeting:</b></p> <ul style="list-style-type: none"> <li>• Discuss Proposal of “China Mining International Productivity Cooperation Enterprises Alliance” (Draft)</li> <li>• Discuss Regulations of “China Mining International Productivity Cooperation Enterprises Alliance” (Draft)</li> <li>• Discuss Candidate for President, Vice Presidents and Secretary-General of the first Council</li> <li>• Participants: Representatives of Founders and Members of the Alliance</li> </ul>
16:00-17:00	<p><b>Inaugural Meeting:</b></p> <ul style="list-style-type: none"> <li>• Announce Approval Document of National Development and Reform Commission</li> <li>• Speech by Leader from MLR</li> <li>• Speech by Leader from International Cooperation Center of National Development and Reform Commission</li> <li>• Speech by Founder Representative--China Minmetals</li> <li>• Address by New Elected President of the Council</li> <li>• Inauguration Ceremony(Leaders from MLR, NDRC, Departments of MLR, China Mining Association)</li> </ul>
17:30-20:00	<p>"Night of BOC" (No.6 Building, Tianjin Guest House) (Invitation ONLY)</p>
17:30-21:00	<p>Mining Cooperation Communication Cocktail Party of CHINA MINING 2017 ( Hosted by China Mining Association ) (Banquet Hall, 4<sup>th</sup> Fl, Crown Plaza Hotel, Tianjin Meijiang Center)</p>

08:30-09:00	Doors open to the delegates
09:00-9:50	<p><b>Opening Ceremony of CHINA MINING Congress and Expo 2017</b> (Rm. Conference Hall N7, 1<sup>st</sup> Fl.)            Chair: The Hon. Cao Weixing, Deputy Minister, Ministry of Land and Resources, PRC</p>
	<ul style="list-style-type: none"> <li>• The Hon. Jiang Daming, Minister of Land and Resources, PRC</li> <li>• The Hon. Wang Dongfeng, Mayor of Tianjin, PRC</li> <li>• H.E. Ms. Jan Adams AO PSM, Ambassador of Australia Embassy to China.</li> </ul>
10:00-10:30	Coffee Break (Exhibition Hall N1, N5)
10:30-12:30	<p><b>Keynote Session on the Theme of CHINA MINING Congress and Expo 2017: Promoting Mining Prosperity under the Silk Road Spirit</b>            (Rm. Conference Hall N7, 1<sup>st</sup> Fl.)            Chair: The Hon. Cao Weixing, Deputy Minister, Ministry of Land and Resources, PRC</p>
	<p>► Industry leaders and economists present keynote speeches on " <b>Promoting Mining Prosperity under the Silk Road Spirit</b> "</p> <ul style="list-style-type: none"> <li>• Shi Yulong, Director, Institute of Spatial Planning &amp; Regional Economy: "The Belt and Road" Initiative is the "Chinese Program" to Solve World Development Problems</li> <li>• Michael Stanley, Global Lead, Extractives Sector, Energy and Extractives Global Practice, the World Bank</li> <li>• Ge HongLin, Chairman, Aluminum Corporation of China: Practicing the Five Development Concepts, Promoting Chinalco Transformation and Upgrading</li> <li>• David Carbonaro, CEO to Gravitas Ilium Corporation and Gravitas Mining Corp &amp; Counsel to Dentons Canada</li> </ul>
12:30-14:00	Lunch ( Banquet Hall N4, 1st Fl)

	High-Level Forum 1 (Rm.N211/209)	Stream 1 Mining Situation and Policies (Rm.N212)	Stream 2 Mining Investment and Finance (Rm.N210)	Stream 3 Commodities (Rm.N214)
14:00-15:30	<p><b>Mining Enterprises CEOs Forum (1)</b> Chair: Peng Qiming, President, China Mining Association</p>	<p><b>System Reform of Mining Right Administration</b> Hosted by: Dept of Mineral Development &amp; Management, MLR; Dept of Geological Exploration, MLR; Information Center, MLR Chair: Yao Huajun, Director General, Dept of Mineral Development &amp; Management, MLR</p>	<p><b>China-Africa Mining Investment &amp; Partnership Forum (1)</b> Hosted by: China Geological Survey; China Mining Association Chair: Dr. Li Jinfa, Deputy Director General of China Geological Survey</p>	<p><b>Uranium</b> Hosted by: China Uranium Co., Ltd. Chair: Ms. Su Yanru, Division Director, Department of Technology and Informationization of China Uranium Co., Ltd.</p>
	<p>► High-level officials and CEOs from global mining corporations discuss mining opportunities and future development.</p> <ul style="list-style-type: none"> <li>• WANG Jionghui, Assistant President, China Minmetals Corporation</li> <li>• Song Xin, General Manager/Secretary of the Party Committee, China National Gold Group Corporation: Carry forward the spirit of the Silk Road and promote the prosperity of the mining industry</li> <li>• Chen Jinghe, Chairman, Zijin Mining Group Co., Ltd.: Zijin Mining, a Pioneer Chinese Mining Company on the "One Belt, One Road"</li> <li>• Ms. Li Tong, CEO, BOC International Holdings Limited(BOCI)</li> <li>• Li Guohong, General Manager of Shandong Gold Group Co., Ltd &amp; Chairman of Shandong Gold Mining Co., Ltd</li> </ul>	<p>► The session will interpret new policies and new requirements since CHINA MINING 2016, promote new measures which are convenient for people on mining rights administration. It will also have interaction between mining rights owners and investors. Delegates could further to know the demands of mining rights owners and investors from the session. Related policies questions also will be answered in this session.</p> <ul style="list-style-type: none"> <li>• Bo Zhiping, Deputy Director-General, Dept of Mineral Development &amp; Management, MLR, PRC: Management policy of mining right</li> <li>• Yang Shangbing, Deputy Director General, Department of Geological Exploration, MLR, PRC.</li> <li>• Guo Zhenhua, Deputy Division Director, Information Center of Ministry of Land and Resources of China.</li> </ul>	<p>► Carry Forward the Silk Road Spirit; Usher in a More Prosperous Mining Industry</p> <ul style="list-style-type: none"> <li>• Opening ceremony for the foundation of Eastern &amp; Southern African Geoscience Cooperation Research Center, CGS</li> <li>• Address by Mr. Jin Ruoshi, Director of Tianjin Center of Geological Survey, CGS</li> <li>• Name List Announcement and Certificate Presentation of Academic Committee by Dr. Zhao Fengqing, Director of Academic Committee</li> <li>• Mark Walter Jessell, Professor, School of Earth and Environment at University of Western Australia.</li> <li>• Lian Changyun, Mining Director, CGCOS Group</li> <li>• Shi Jiyang, CEO, China-Africa Development Fund</li> </ul>	<p>► Innovation leads Uranium industry development, promote cooperation on "the Belt and Road"</p> <ul style="list-style-type: none"> <li>• Du Yunbin, Chairman &amp; Secretary of Party Committee, China Uranium Co., Ltd.</li> <li>• Qin Mingkuan, Chief Engineer, Beijing Research Institute of Uranium Geology: The status and prospect of exploration technologies for deep uranium resource in China.</li> <li>• Que Weimin, Chief engineer, Beijing Research Institute of Chemical Engineering and Metallurgy, CNNC.: The State of Art of Chinese Uranium Ore Mining and Metallurgical Technology as well as Prospect.</li> <li>• Xing Yongguo, general manager, Inner Mongolia Mining co. Ltd., CNNC: The present situation and prospect of development of sandstone uranium mine in central and western Inner Mongolia.</li> <li>• Peng Yunbiao, Chief Engineer, No. 208 Geological Party, CNNC.: Theoretical innovation and major breakthrough of sandstone type uranium deposits in central and Western Inner Mongolia.</li> <li>• Gary Delaney, Chief Geologist, Saskatchewan Ministry of the Economy of Canada</li> </ul>
	<p><b>Stream 4 Geological Exploration and Mining Development (Rm.N213)</b></p>	<p><b>Stream 5 Geological Exploration and Mining Development (Rm.N216/N218)</b></p>	<p><b>Stream 6 Country Investment (Rm.N215/N217)</b></p>	<p><b>Stream 7 Country Investment (Rm.N220)</b></p>
	<p><b>Scientific and Technological Innovation on Deep-Sea Detecting</b> Hosted by: Dept of Int'l Cooperation &amp; Sci and Tech, MLR; China Geological Survey Chair: Ms. Gao Ping, Deputy Director General, International Cooperation &amp; Science and Technology of Ministry of Land and Resources, P.R.C</p>	<p><b>Technological and Equipment Forum on Mining, Mineral Processing and Metallurgical Process (1)</b> Hosted by: Beijing General Research Institute of Mining &amp; Metallurgy Chair: Han Long, Vice President of Beijing General Research Institute of Mining &amp; Metallurgy (BGRIMM)</p>	<p><b>Mining in Mexico</b> Hosted by: Undersecretariat of Mining of Mexico, Secretariat of Economy; Mexican Embassy to China.</p>	<p><b>How to Expand Mining Market in Latin America?</b> Host: Chile Fisa and China Council for the Promotion of International Trade Machinery Sub-Council (CCPIT MSC)</p>
<p>► S&amp;T innovations on deep-underground, deep-sea, deep-space detection and unconventional energy exploration</p> <ul style="list-style-type: none"> <li>• Yang Shengxiang, Chief Geoscientist, Guangzhou Marine Geological Survey: Marine Gas Hydrate Investigation in China: Technical and Theoretical Innovation</li> <li>• Wu Nengyou, Director General &amp; Professor, Qingdao Institute of Marine Geology, CGS: Deep oil and gas exploration in the South Yellow Sea Basin, China</li> <li>• Lv Fuliang, Geologist, PetroChina Hangzhou Research Institute of Geology: Deep-water Oil and Gas Exploration of CNPC: Present and Future</li> <li>• Ms. Li Qingping, Vice President of Deep Water Engineering, CNOOC Research Institute: Status of the southeast natural gas hydrate development test</li> </ul>	<p>► Green Development, Smart Mining – Promote Sustainable Development of Chinese Mining Industry</p> <ul style="list-style-type: none"> <li>• Zhang Da, Deputy Secretary &amp; Deputy Director, Beijing General Research Institute of Mining and Metallurgy: Ground Pressure Monitoring and Control Technology of Natural Caving Mining Method</li> <li>• Wu Weiguo, Vice Director of Beijing General Research Institute of Mining &amp; Metallurgy (BGRIMM): Progress in beneficiation technology for copper-molybdenum ore</li> <li>• Wang Bo, Deputy Director, Engineer Department of China Railway 19th Bureau Group Mining Investment Co., Ltd: Development and Application of Detecting &amp; Treating of underlying void for Open Pit Iron Mine</li> <li>• Shang Hongliang, Vice Director of Magnetic Separation Department, BGRIMM Machinery and Electrics Technology Co., Ltd.: New development of magnetic separation technology boosts high-efficiency and high-benefit utilization of iron ore resources</li> </ul>	<p>► Mexican executives of different companies will present several projects at different stages of development covering: gold, silver, copper, zinc, and molybdenum, with the goal to explore business opportunities for further development.</p> <ul style="list-style-type: none"> <li>• Welcome speech by Mr. Jose Luis Bernal, Ambassador of Mexico to the people's republic of China</li> <li>• Mexico's Mining recent Developments by Mr. Mario Cantu, Undersecretary of Mining of Mexico</li> <li>• JORGE SOBRADO, CEO, SUCCESHILL &amp; CO. SAPI DE CV</li> <li>• Javier Reyes, Director &amp; Co Founder, Candelaria Mining: Caballo Blanco, "The New Mining District in Mexico"</li> </ul>	<ul style="list-style-type: none"> <li>• Carlos Parada, President, Chile Fisa</li> <li>• Armando Valenzuela, Counselor, Chile Fisa</li> <li>• Zhou Weidong, Vice President, China Council for the Promotion of International Trade Machinery Sub-Council (CCPIT MSC)</li> </ul>	
15:30-16:00	Coffee Break (Exhibition Hall N1, N5)			

	<b>High-Level Forum 1</b> <b>(Rm.N211/209)</b>	<b>Stream 1</b> <b>Mining Situation and Policies</b> <b>(Rm.N212)</b>	<b>Stream 2</b> <b>Mining Investment and Finance</b> <b>(Rm.N210)</b>	<b>Stream 3</b> <b>Green Mining Development</b> <b>(Rm.N214)</b>
	<b>Mining Enterprises CEOs Forum (2)</b> Chair: Peng Qiming, President,China Mining Association	<b>Global Mining situation and Investment Policies</b> Hosted by: Information Center, MLR; Dept of Int'l Cooperation & Sci and Tech, MLR; Chair: Wei Tiejun, Deputy Director, Information Center, MLR & Johan Magnus Ericsson, Professor, Luleå University of Technology	<b>China-Africa Mining Investment &amp; Partnership Forum(2)</b> Hosted by: China Geological Survey; China Mining Association Chair:Dr. Li Jinfu, Deputy Director General of China Geological Survey	<b>Conservation and Efficient Utilization of Mineral Resources</b> Hosted by: Dept of Mineral Resources Reserves, MLR; Chinese Academy of Land & Resource Economics Chair: Chen Xianda, Vice President, Chinese Academy of Land & Resource Economics
	<p>► High-level officials and CEOs from global mining corporations discuss mining opportunities and future development.</p> <ul style="list-style-type: none"> <li>• Zhang Youxi, Chairman and Party Committee Secretary of Datong Coal Mine Group, chairman of Datong Coal Industry Corporation, Party Committee Secretary of Zhangze Power Corporation</li> <li>• Wang Dongsheng, Manager,Chinalco Mineral Resources Corporation: mining situation in China, challenges and solutions.</li> <li>• Li Shousheng, Director, the Deputy Party Secretary and the General Manager of Shandong Zhaojin Group Co.,Ltd</li> <li>• Mr. Mingfai Wong, Board Director of Standard Advisory Asia Limited/Head of Mining and Metals, Asia</li> </ul>	<p>► Green investment, green mining industry</p> <ul style="list-style-type: none"> <li>• Liu Yikang, Senior Advisor, China Mining Association: Mining exploration in the “storm” of environmental protection</li> <li>• Yan Weidong, Division Director, Minerals Office of Information Centre of Ministry of Land and Resources of China: Global Mining Industry Outlook in 2018</li> <li>• Johan Magnus Ericsson, Professor, Luleå University of Technology: Mining’s contribution to national economies – a blessing not a curse</li> <li>• Chris Hinde, Director of Metals &amp; Mining Reports Team, S&amp;P Global Market Intelligence (SNL Metals&amp; Mining)</li> <li>• Richard Schodde, Managing Director, MinEx Consulting Pty Ltd: Time delay between discovery and development – is it getting more difficult?</li> <li>• Sean Xun, Assitant Chief, U.S. Geological Survey: Assessment of critical minerals: Screening methodology and initial application</li> </ul>	<p>► Carry Forward the Silk Road Spirit; Usher in a More Prosperous Mining Industry</p> <ul style="list-style-type: none"> <li>• Jacques Erasmus, Director, KPMG Services (PTY) Ltd: Africa investment trends and local perspective</li> <li>• Dokowe Alphet Phaskani, Chief Engineer, Zambia Geological Survey: Mining Investment Opportunities in Zambia</li> <li>• Chen Yumei, Vice General Manager for Investment And Business Development, Pengxin International Mining Co.,Ltd</li> <li>• Yakubu Silas, Deputy Director, Nigeria Geological Survey: Mining Investment Opportunities in Nigeria</li> <li>• Xuekai(Vincent) Qian, Senior Partner, Beijing Dentons Law Offices, LLP; Vincent Lacombe, ATTORNEY, Dentons Paris: Key Points of African Regulations on Mining</li> </ul> <p>► Agreement Signing:</p> <ol style="list-style-type: none"> <li>1. Sign MOU with Mali</li> <li>2. Sign 2 cooperative project agreement with Nigeria</li> <li>3. Sign 1 MOU and 1 cooperative project agreement with Sudan</li> </ol>	<ul style="list-style-type: none"> <li>• Ju Jianhua, Director General, Reservation Department of Ministry of Land and Resources of China.</li> <li>• Gu Desheng, Academician, Central South University</li> <li>• Zhang Xinan, President, Chinese Academy of Land &amp; Resource Economics</li> <li>• Pan Zhe, Detection Director, Shandong Energy Xinwen Group Co.,Ltd</li> </ul>
16:00-17:30	<b>Stream 4</b> <b>Geological Exploration and Mining Development</b> <b>(Rm.N213)</b>	<b>Stream 5</b> <b>Geological Exploration and Mining Development</b> <b>(Rm.N216/N218)</b>	<b>Stream 6</b> <b>Country Investment</b> <b>(Rm.N215/N217)</b>	
	<b>Test Analysis Helps Geological Scientific and Technical Innovation</b> Hosted by: Dept of Int'l Cooperation & Sci and Tech, MLR; China Geological Survey Chair: Qi Yabin, Director, National Research Center for Geonalysis of China	<b>Technological and Equipment Forum on Mining, Mineral Processing and Metallurgical Process (2)</b> Host: China Nerin Engineering Co.,Ltd Chair: Shen Louyan, General Manager & Manger of Mining Industry Dept of China Nerin Engineering Co., Ltd.	<b>Mining in South Africa</b> Hosted by: Dept of Trade and Industry ,South Africa; Dept of Mineral Resources, South Africa; South African Embassy to China Chair:	
	<p>► S&amp;T innovations on deep-underground,deep-sea,deep-space detection and unconventional energy exploration</p> <ul style="list-style-type: none"> <li>• GUO Dongfa,Deputy Chief Engineer,Beijing Research Institute of Uranium Geology:New Progress of Methods for Determination U Th and Ra in Uranium Geology and NORM Samples</li> <li>• Xiong Caihua, Director, Hubei Geological Research Laboratory: Quality control for geological sample analysis</li> <li>• Qu Wenjun,Department Chief of Science and Technology,National Research Center for Geo-nalysis:Scheme for determination of critical materials elements in complex matrix geological samples using modern instrument</li> <li>• DU GU,Laboratory director,Chengdu Center of Geological Survey,CGS:Research progress of modern detection technology method for rock mineral identification</li> <li>• Ms. Rao Zhu,Director of Organic Analytical Laboratory,National Research Center for Geoanalysis:The establishment of comprehensive technique for the rapid detection of core gas in gas hydrate drilling field in Mohe permafrost, China</li> </ul>	<p>► Green Development, Smart Mining – Promote Sustainable Development of Chinese Mining Industry</p> <ul style="list-style-type: none"> <li>• Luo Zhenjiang, Deputy Chief Engineer, Mining Division of China Nerin Engineering Co., Ltd. : Brief analysis of Congo (gold) mining project development of Chinese funded enterprises</li> <li>• Hu Genhua, Senior Engineer &amp; Vice Manager of Mining Division of China Nerin Engineering Co., Ltd.: Discussion on Construction Procedure and Risk of Australian Mining Project</li> <li>• Men Jianbing, Director of Mining Office of China Nerin Engineering Co., Ltd.: Mining Problems and Challenges of Deep Mines at Home and Abroad</li> <li>• Yang Biao, Director of Mining Division &amp; International Business Depart. Of CINF Engineering Co., Ltd.: Study and Application on the Dynamic Optimization Method of Open Pit</li> <li>• Q &amp; A</li> </ul>	<p>► Presentations on South Africa’s Mining and Investment Overview</p> <p>► High level representatives from South African Government and SA companies.</p> <ul style="list-style-type: none"> <li>• Tang Lianmeng, Deputy Director, Tianjin Municipal Bureau of Land &amp; Resources and Housing Administration: Openging Address</li> </ul>	
19:00-21:00	<b>Welcome Dinner (Tianjin Guest House) (Invitation ONLY)</b>			

	<b>High-Level Forum 2</b> <b>(Rm.N211/N209)</b>	<b>Stream 1</b> <b>Green Mining Development</b> <b>(Rm.N212)</b>	<b>Stream 2</b> <b>Mining Investment and Finance</b> <b>(Rm.N210)</b>	<b>Stream 3</b> <b>Geological Exploration and Mining Development</b> <b>(Rm.N214)</b>
	<b>Mining Ministers Forum (1)</b> Hosted by:Dept of Int'l Cooperation & Sci and Tech, MLR Chair: The Hon. Ling Yueming, Vice Minister, Ministry of Land and Resources of China.	<b>International Centre of Excellence on Coal Mine Methane in China</b> Hosted by: Shanxi Coking Coal Group,UNECE Chair: Xu Dachun, Director General, Department of Land and Resources of Shanxi	<b>New "Silk Road" on Mining Industry, New Ideas on Finance</b> --- BOCI assists Global Mining Enterprises to Grasp Opportunities of "The Belt and Road " Construction Hosted by: BOC Int'l Holdings Limited (BOCI)	<b>The Progress and Achievements on Geological Survey in China</b> Hosted by: China Geological Survey Dept of Geological Exploration, MLR Chair: Wang Kun, Vice Director General,China Geological Survey(CGSO)
09:00-10:30	<p>►Mining Ministers/Vice Ministers discuss the global mining development opportunities and strategies for the global market place.</p> <ul style="list-style-type: none"> <li>• The Hon. Hashim Ali Mohamed Salim, Minister, Ministry of Minerals, Republic of the Sudan</li> <li>• The Hon. Mario Capello, Subsecretary Engineer, Ministry of Energy and Mining (Secretariat of Mining), Argentina.</li> <li>• Ms. Marian Campbell Jarvis, Assistant Deputy Minister, Natural Resources Canada &amp; Pierre Arcand, Minister, Energy and Natural Resources, Quebec, Canada</li> <li>• The Hon. Mario Alfonso Cantú, Undersecretary of Mining of Mexico, Economy, Mexico.</li> </ul>	<ul style="list-style-type: none"> <li>• Xu Dachun, Director General, Department of Land and Resources of Shanxi: Welcome Address</li> <li>• Scott Foster, Director of the United Nations Economic Commission for Sustainable Energy Division: Welcome Address</li> <li>• Hou Shuiyun, Chief Engineer of Shanxi Coking Coal Group&amp;Vice President of International Centre of Excellence on Coal Mine Methane in China:Welcome Address Inauguration Ceremony:</li> <li>• Jin Zhixin, Academician of Chinese Academy of Engineering , Chairman of International Centre of Excellence on Coal Mine Methane in China</li> <li>• Scott Foster, Director of the United Nations Economic Commission for Sustainable Energy Division</li> <li>• Representative from National Security Agency</li> <li>• Representative from Shanxi Government</li> <li>• Issuing of certificates to 4 Specially-appointed experts of International Centre of Excellence on Coal Mine Methane in China</li> <li>• Leader from State Administration of Work Safety: Address Congratulations</li> <li>• Frisia Louise, Director of Office of Methane of Environment and Protection Association of America &amp; Director of The Global Methane Initiative Office: Address Congratulations</li> <li>• Jin Zhixin, Academician of Chinese Academy of Engineering , Chairman of International Centre of Excellence on Coal Mine Methane in China: Call for Action</li> <li>• Take Group Photo</li> </ul>	<p>►The Belt and Road initiative has brought new historic opportunities for global mining corporations. Bank of China International (BOCI), as a leading China investment bank, will join together with the leading mining companies and other world-renowned investment and financial institutes to explore the development trend of the global mining markets, the latest industry dynamics and the investment and financial opportunities so as to dedicate its own wisdom and proposals in assisting mining companies to accelerate structural reform shift and create a better mining future.</p> <ul style="list-style-type: none"> <li>• George Fang, Executive Director &amp;Senior Executive Vice President, Zijin Mining Group Co.,Ltd.: Zijin Mining Group Co.,Ltd on "The Belt and Road"</li> <li>• Du Qiang, CEO, Overseas Business Department of Shandong Gold Group</li> <li>• Wang Yong, Chief Accountant, Wanbao Mining Ltd.</li> <li>• Simon Hanrahan, SRK Australia Board of Directors</li> <li>• Serge Bilambo, Head of Mining and Metals, Standard Bank Democratic Republic of the Congo: "DRC Katanga Mining Potential"</li> <li>• Ms. Cheng Manjiang, Chief Economist of Bank of China International (BOCI) and the CEO of the Research Company of BOCI</li> <li>• Steve Wang, Managing Director, BOC International Holdings Limited</li> <li>• Ms. Fu Xiao, Head of Commodity Markets Strategy, BOCI Global Commodities (UK) Limited</li> </ul>	<p>►This session will introduce New achievements of Nine Plans, mainly contains energy and new discovery</p> <ul style="list-style-type: none"> <li>• Xu Xueyi, Assistant Chief Geologist,China Geological Survey(CGS): New progress information issuance and 2018 project arrangement of geological survey in China</li> <li>• Xiao Guiyi,Director,Department of Geological Investigation, CGS: The New Achievements of Fundamental Geological Survey in China</li> <li>• Zhang Zuoheng,Director, Dept of Mineral Resources Assessment, CGS: New Progress of mineral Resource Geological Survey in China in 2017</li> <li>• Hao Aibing, Director, Dept of Hydrogeology and Environmental Geology, CGS: New Achievements of Hydrogeological and Environmental Geological Survey in 2017 for CGS</li> </ul>
	<b>Stream 4</b> <b>Mining Investment and Finance</b> <b>(Rm.N213)</b>	<b>Stream 5</b> <b>Commodities</b> <b>(Rm.N216/N218)</b>	<b>Stream 6</b> <b>Country Investment</b> <b>(Rm.N215/N217)</b>	
	<b>China-Mongolia Cooperation in Diverse Fields under the Background of "the Belt and Road"(1)</b> Hosted by: Tianjin International Financing Services Co.,Ltd; Grand China Sports Supprted by: Tianjin Financial Investment Chamber; Tianjin Haihe Industrial Fund Management Co. Ltd.	<b>Bulk Minerals</b> Hosted by: Tianjin Municipal Bureau of Land & Resources and Housing Administration Chair: Robert Williamson, Executive Advisor-China, Association of Mining & Exploration Companies	<b>China-Nigeria Mineral Resources Investment Cooperation Summit (1)</b> Hosted by: The Ministry of Mines and Steel Development of the Federal Republic of Nigeria; Embassy of the Federal Republic of Nigeria to China; Moral Fame International (HK) Limited Chair: Dr. Zhang Yan, President of Qinglan Mining Circle	
	<ul style="list-style-type: none"> <li>• Welcoming address from China and Mogolia Representative</li> <li>• Keynote speech:"The Belt and Road" Initiative how to lead diverse fields cooperation between China and Mongolia</li> <li>• Presentation: Economic and trade cooperation Current Situation and Development Prospect between China and Mogolia</li> </ul>	<p>►This session will explore the mining development trend and the bulk mineral market, focus on the development trend of new energy minerals, predict the prospect of mining market and help mining enterprises seize the investment opportunities.</p> <ul style="list-style-type: none"> <li>• Dr.Mark Mistry, Public Policy Manager, NICKEL INSTITUTE</li> <li>• Ken Hoffman, CFA., Senior Metals &amp; Mining Expert, McKinsey &amp; Co</li> <li>• Li Xinchuang, President, China Metallurgical Industry Planning and Research Institute</li> <li>• Cui Rongguo, Deputy Division Director, Information Center of Ministry of Land and Resources.</li> <li>• Simon Wu, Editor&amp;Consultant,Beijing Representative Office, CRU International</li> <li>• Ms. Xu Aidong, Secretary General, CNIA Cobalt Branch</li> </ul>	<ul style="list-style-type: none"> <li>► Opening Ceremony</li> <li>• Opening remark: Jiang Jianjun, Director General, Department of International Cooperation &amp; Science and Technology, the Ministry of Land and Resources, PRC</li> <li>• Opening remark: Qiao Zhihui, The President of Moral Fame International (HK) Limited</li> <li>► Policy outlook (Nigerian policies in Mining industry, present mining situation and mineral resources)</li> <li>• The Hon. Abubakar Bawa Bwari, Minister of State, Ministry of Mines and Steel Development, Nigeria: Mining industry development in Nigeria</li> <li>• H.E. BABA AHMAD JIDDA, Ambassador of Federal Republic of Nigeria in China:Introduction to business investment in Nigeria</li> <li>• Launching Ceremony of China-Nigeria mining investment and financing alliance: Speakers from Leader of Ministry of Land and Resources, PRC, Leaders from China Mining Association, Leaders from China Mining Classmates of Tsinghua University, Leaders from Mining Companies Etc.</li> </ul>	
10:30-11:00	<b>Coffee Break (Exhibition Hall N1, N5)</b>			

	High-Level Forum 2 (Rm.N211/N209)	Stream 1 Green Mining Development (Rm.N212)	Stream 2 Mining Investment and Finance (Rm.N210)	Stream 3 Mining Situation and Policies (Rm.N214)
11:00-12:30	<p align="center"><b>Mining Ministers Forum (2)</b> Hosted by: Dept of Int'l Cooperation &amp; Sci and Tech, MLR Chair: The Hon. Ling Yueming, Vice Minister, Ministry of Land and Resources of China.</p>	<p align="center"><b>Coalbed Methane (Coal Mine Gas) International Forum (2)</b> Hosted by: Shanxi Coking Coal Group, UNECE Chair: Scott Forster, Director of the United Nations Economic Commission for Sustainable Energy Division; Jin Zhixin, Academician of Chinese Academy of Engineering, Chairman of International Centre of Excellence on Coal Mine Methane in China</p>	<p align="center"><b>Create a New Situation on Comprehensive rehabilitation of Mining Geological Environment with PPP Model</b> Hosted by: Union of Mining Environment Rehabilitation &amp; Financing; Beijing Mining City Investment (Group) Co.,Ltd.</p>	<p align="center"><b>Mineral Resources &amp; Reserves Classification Systems: Bridging Documents</b> Hosted by: Dept of Mineral Resources Reserves, MLR; Mineral Resources Reserves Evaluation Center, MLR; United Nations Economic Commission for Europe Chair: Wang Shaobo, Deputy Director-General, Dept of Mineral Resources Reserves, MLR</p>
	<p>► Mining Ministers/Vice Ministers discuss the global mining development opportunities and strategies for the global market place.</p> <ul style="list-style-type: none"> <li>• The Hon. Dembele Lamine Alexis, Secretary General, Mining Ministry, Mali</li> <li>• The Hon. Ricardo Labó, Vice Minister of Mines, Ministry of Energy and Mines, Peru</li> <li>• Mr. Thabo Mokoena, Director-General, Ministry of Mineral Resources, South Africa</li> <li>• The Hon. Lokeris Teko Peter, Minister of State, Ministry of Mineral Development, Uganda</li> <li>• The Hon. Mr. Abubakar Bawa Bwari, Minister of State, Ministry of Mines and Steel Development, Nigeria</li> </ul>	<p>Keynote speech which chaired by Scott Forster, Director of the United Nations Economic Commission for Sustainable Energy Division:</p> <ul style="list-style-type: none"> <li>• Mr. Ray Pilcher, Chair, Group of Experts on Coal Mine Methane, UNECE: Best Practice Guidance for Effective Methane Drainage and Use in Coal Mines</li> </ul> <p>Academic speech which chaired by Scott Forster, Director of the United Nations Economic Commission for Sustainable Energy Division:</p> <ul style="list-style-type: none"> <li>• Mr. Yuan Liang, Academician, Chinese Academy of Engineering: Theory and Technology of Coal Mine Gas Control in China</li> </ul> <p>Academic speech which chaired by Mr. Zhang Tiegang Academician, Chinese Academy of Engineering:</p> <ul style="list-style-type: none"> <li>• Mr. David Creedy, Vice Chair, Group of Experts on Coal Mine Methane, UNECE: Best practice benefits and challenges for China</li> <li>• Mr. Hu Qianting, Prof. Chongqing University: Safety Transportation and Utilization Technology in Gradient Way for Low Concentration Gas in Coal Mines</li> </ul> <p>Academic speech which chaired by Liu Feng, Vice President, China Coal Industry Association:</p> <ul style="list-style-type: none"> <li>• Mr. He Xueqiu, Prof. University of Science and Technology Beijing: The Challenge of Gas Control and Physical Methods for Dynamic Disasters warning in China Coal Mine</li> <li>• Mr. Clark Carr Talkington, Vice President, America International Advanced Resources Company: Strategic Role of Coal Mine Methane in Climate Change Mitigation</li> </ul> <p>Academic speech which chaired by Mr. Michal Jacek Drabik, Economic Affairs Officer, UNECE:</p> <ul style="list-style-type: none"> <li>• Mr. Zhang Yongmin, Prof. Xi'an Jiaotong University: Controllable Shock Wave Technology for Coal Reservoir Permeability Improvement</li> <li>• Mr. Kevin, Vice President, Gas Capture Technologies Center of Australia: Enrichment of Low Grade Methane by Novel Adsorption Technologies</li> <li>• Jin Zhixin, Chairman of International Centre of Excellence on Coal Mine Methane in China: Cohesion to Create a New Global Methane Management Pattern; Hand in Hand to Build a New and Harmonious Green Human Life</li> </ul>	<p>► Since the foundation of Union of Mining Environment Rehabilitation &amp; Financing, thanks of the related industrial and financial policies in terms of mine ecological governance, with the tie of capital and supporting of technology, it played an important role in promoting alliance members to cooperate with local governments continuously in adoption of PPP mode. This year, the alliance will invite leaders from the ministry of land and consultant experts in the area of PPP mode to make an interpretation on how to carry out comprehensive treatment of mine geological environment through PPP mode.</p> <ul style="list-style-type: none"> <li>• Xiong Zili, Deputy Director General, Dept of Geological Environment, MLR, PRC</li> <li>• Ms. Luo Ming, Vice Director, Land Consolidation and Rehabilitation Center, MLR, PRC: Research on mine land reclamation policy</li> <li>• Liu Yuchuan, Director of Union of Mining Environment Rehabilitation &amp; Financing, CEO of Beijing Mining City Investment (Group) Co., Ltd.</li> <li>• Huang Yuejian, PPP Consulting Expert</li> <li>• Opening Ceremony of Union of Mining Environment Rehabilitation &amp; Financing PPP Research Center</li> </ul>	<ul style="list-style-type: none"> <li>• Scott Foster, Division Chief, Sustainable Energy Division of United Nations Economic Commission for Europe: UNFC - A futuristic tool for sustainable resource management</li> <li>• Zhang Dawei, Director, Mineral Resources and Reserves Evaluation center, Ministry of Land and Resources of China: Introductions about the International comparative research results of Mineral and Petroleum Resources and Reserves, the communicating results with technical exchange with Technical Advisory Group for the United Nation Expert Group on Reserves Classification</li> <li>• Li Jian, Deputy Section Chief, Mineral Resources and Reserves Evaluation center, Ministry of Land and Resources of China: Introductions about the International comparative research results of Mineral and Petroleum Resources and Reserves, the Bridging Documents: the National Standard of the People's Republic of China «Classification for resources/reserves of solid fuel and mineral commodities» (GB/T 17766 1999) and UNFC</li> <li>• Wang Yongxiang, Deputy Chief Geologist, Exploration &amp; Production Company of Petrochina Company Limited: Bridging Document between the China Classification for Petroleum Reserves and Resources 2004 (CCPR-2004) and the United Nations Framework Classification for Fossil Energy and Mineral Reserves and Resources 2009 (UNFC-2009)</li> </ul>
12:30-14:00	<p align="center"><b>Stream 4 Mining Investment and Finance (Rm.N213)</b></p>	<p align="center"><b>Stream 5 Green Mining Development (Rm.N216/N218)</b></p>	<p align="center"><b>Stream 6 Country Investment (Rm.N215/N217)</b></p>	
	<p align="center"><b>China-Mongolia Cooperation in Diverse Fields under the Background of "the Belt and Road" (1)</b> Hosted by: Tianjin International Financing Services Co., Ltd; Grand China Sports Supported by: Tianjin Financial Investment Chamber; Tianjin Haihe Industrial Fund Management Co.
