

The Program of CHINA MINING CONFERENCE AND EXHIBITION 2019

Day 1, Oct.9, 2019 Wednesday					
	Workshop (Rm.N214)				
	Geological Hazards Prevention and Treatment				
09:00-12:00	<p>→Gao Youlong, Professor Senior Engineer and Director of Geological Hazards Research Office of Hydrogeological Environment Survey Center of China Geological Survey: Current Situation and Prevention Methods of Geological Hazards in Bailongjiang River Basin</p> <p>→Cao Xiuding, Professor Senior Engineer and Director of Science & Technology Achievements Transform Office of Hydrogeological Environment Survey Center of China Geological Survey: Monitoring and Pre-alarmed Technology of Geological Hazards</p> <p>→Lu Changjun, Senior Engineer and Director of Geological Hazards Monitoring and Forecast Center of Tianjin Geological Survey Institute: Geological Hazards Prevention and Treatment in North Mountain Area of Tianjin</p> <p>→Xiao Fei, Senior Engineer and Deputy Chief Engineer of Institute of geology of Tianjin North China Geological Exploration Bureau: Introduction of Typical Geological Hazards Treatment Project in Tianjin Jizhou District.</p>				
	Green Mines & Sustainable Development	Market and Situation	Green Mines & Sustainable Development	Green Mines & Sustainable Development	Mining Exchange
	(Rm.N209)	(Rm.N211)	(Rm.N210)	(Rm.N212)	(Rm.N214)
	Environmental Governance and Ecological Restoration	Mining Cooperation Forum on "The Belt and Road"	Geothermal Forum	Intelligent Mines (Technology & Equipment) 1	Tianjin Promotion Forum
13:00-14:30	Chair: Chen Zhiguo , General Manager, Tianjin Huakan Environmental Protection Technology Co., Ltd. → Ms. Zhao Lianrong , Secretary-General of Mining City Working Committee of China Mining Association & Professor of China University of	Chair : Peter Arkell , Chairman/Founder, Global Mining Association of China (GMAC) → Philip Liu , Associate Director, Deloitte & Touche Financial Advisory Services Limited: Mining & Metals - New trend, process and major issues of	Chair : Li Ningbo , Deputy Chief Engineer , Beijing Institute of Geology and Mineral Exploration and Development → Zheng Keyan , Chairman of Experts Group, Geothermal Council of China Energy Society: Present Status and Trend of Geothermal Development in	Chair: Yu Guizhen , Founder & Chief Scientist , Beijing TAGE I-Driver Technology Co., Ltd. → Yu Guizhen , Founder& Chief Scientist , Beijing TAGE I-Driver Technology Co., Ltd. → Li Fujun , Vice Chief, Weichai Power Co., Ltd. Shanghai R&D Center: Innovation development	Chair: Gao Xinping , Deputy Director of Tianjin Center, China Geological Survey → Zhang Lianjun , Deputy Director, Tianjin Municipal People's Government Cooperation and Communication Office → Gao Minxing , Associate

	<p>Geosciences(Beijing) → Ms. Feng Xiujuan, Professor, National Environmental Protection Industrial Contaminated Site and Groundwater Engineering Technology Center of China Energy Conservation and Environmental Protection Group → Xiao Fei, Senior Engineer, Institute of geology of Tianjin North China Geological Exploration Bureau. → Qiu Sha, Senior Engineer, Tianjin Huakan Environmental Protection Technology Co., Ltd. → Li Xiaohua, Senior Engineer, General Survey Team of Tianjin North China Geological Exploration Bureau → Han Zhen, Manager, Environment Department of Aecom</p>	<p>global Mergers and Acquisitions → Michael S. Carl, Senior International Legal Counsel, SSEK Indonesian Legal Consultants : Mining Investment Climate in Indonesia Following China's Belt and Road Policy → Ms. Olga Doynikova, Super Ph.D. of geological and mineralogical sciences, Institute of Ore Deposits Geology, Petrography, Mineralogy and Geochemistry Russian Academy of Science (RAS) of Russia: PALEOCHANNEL TYPE OF SANDSTONE URANIUM DEPOSITS IN RUSSIA → Ms. Bessie Zhang, Partner, ShineWing Australia: Linking China's Belt and Road Initiative to Australian Energy Industry</p>	<p>China and the World. → Pang Zhonghe, Researcher, Institute of Geology and Geophysics, Chinese Academy of Sciences (IGGCAS): A roadmap to geothermal energy development in China → Hu Songtao, Vice General Manager, Shandong Provincial Geo-mineral Engineering Co., Ltd.: The Road of Ecological Civilization Construction in the New Era- Exploration and Exploitation of Geothermal Resources and High Efficiency Utilization in Shandong Province.</p>	<p>of mining vehicles, promoting the transformation and upgrading of Mines → Wu Yaoxin, Director of Software Department, Dandong Dongfang Measurement & Control Technology Co., Ltd: Intelligent Mine——Activate New Driving Forces for Mining Enterprises → Zhang Shixin, Board Director, Gansu Jinhui Mining Co., Ltd.: "Practicing Ecological Ideas to Create Intelligent Mines" ----Guojiagou Lead-Zinc Mine, Jinhui Mining Industry, Gansu Province → Zhang Xinyuan, Senior Engineer, CSIC Research Institute No. 707 Institute: Application of inertial technology in the development of smart mines → Shao Guojun, Vice General Manager, SPIC Guizhou Zunyi Industry Development Co., Ltd.</p>	<p>Counsel, Tianjin Municipal Bureau of Planning and Natural Resources: Welcome Remarks → Zhang Zhichen, Deputy Director General, Tianjin Binhai New District Commerce and Investment Promotion Bureau. → Li Jian, Deputy Director, Tianjin Jizhou District → Chu Junmin, Chief Landscape Designer, Tianjin Academy of Urban Planning and Design / Tianjin Vision City Development and Design Planning Co., Ltd.</p>
14:30-15:00	Doors Open to Official Opening of CHINA MINING CONFERENCE AND EXHIBITION 2019 (Rm. Conference Hall N7, 1 st Fl.)				
15:00-16:00	Opening Ceremony of CHINA MINING CONFERENCE AND EXHIBITION 2019 (Rm. Conference Hall N7, 1 st Fl.)				
17:00-19:00	Welcome Cocktail of CHINA MINING CONFERENCE AND EXHIBITION 2019 (Banquet Hall N4, 1 st Fl.)				

Day 2, Oct.10, 2019 Thursday							
09:00-11:00	Keynote Session of CHINA MINING CONFERENCE AND EXHIBITION 2019: High Quality Development , for Shared Future of Global Mining Industry. (Rm. Conference Hall N7, 1 st Fl.)						
	Chair : Peng Qiming , President, China Mining Association → Song Xin , Chairman of the Board, China National Gold Group Corporation & President, China Gold Association: Gathering strength and win-win cooperation, open a new chapter in the high quality development of the gold industry → Massimo Gasparon , Innovation Director, European Institute of Innovation & Technology (EIT) : EIT Raw Materials: A Vision for Sustainable Mining - and beyond → Ms. Li Tong , CEO, BOC International Holdings Limited: Exploring New Opportunities of Mining Industry by Accelerating High-Quality Development → Erik Darner , Upstream Consulting Director, IHS Markit: Global Upstream Oil and Gas Outlook & the Impact of the Energy Transition (With New Energy)						
11:00-11:15	Coffee Break (Exhibition Hall N1, N5 1 st Fl.)						
	Green Mines & Sustainable Development	Market and Situation	Geological Survey and Mineral Exploration	Market and Situation	Geological Survey and Mineral Exploration	Mining Exchange	Mining Exchange
	(Rm.N209)	(Rm.N211)	(Rm.N210)	(Rm.N212)	(Rm.N216/N218)	(Rm.N215/N217)	(Rm.N214)
11:15-12:45	New Technology & Equipment on Green Mines	Supply & Demand and Trade of Minerals	The Forum on Targeted Service for China Mining Transformation & Development and 《Global Mining Development Report 2019》 Release Briefing	Gravel Aggregate Forum	Foreign-aid Training Class Commencement 2019	Gansu Province Promotion Forum	Mining in Argentina - Present and Future

<p>Chair: Deng Guoping, Counsel, Department of Minerals Supervision and Protection , Ministry of Natural Resources, China →Xie Xionghui, Vice President, Zijin Mining Group Co., Ltd: Green Development at Zijin Mining →Pei Tianfei, Deputy General Manager, Shandong Gold Group Co., Ltd. →Chen Honggang, CIO, JCHX Mining Management Co Ltd: Information Construction for Group Management & Control in Mining Corporations → Du Jinlong, Deputy Director/PH.D, General Prospecting Institute China National Administration of Coal Geology: The integrated technology</p>	<p>Chair: Stephen Durkin, CEO, Australasian Institute of Mining and Metallurgy (AusIMM) → Yao Lei, CEO, BOCI Global Commodities (UK) Limited →John Johnson, CEO, CRU China →Ms. Huo Songling, Board Secretary, China National Gold Group Co.,LTD →Ms. Wang Shuli, Executive Director , Jingyijinhui (Tianjin) Information Technology Co., Ltd. & Beijing Jingyijinhui Information Consulting Co., Ltd. : Investment Opportunities for Mineral Products & Precious Metals Investment.</p>	<p>Chair : Li Jinfa, Deputy Director-General, China Geological Survey → Li Jinfa, Deputy Director-General, China Geological Survey → Wang Yan, Deputy Director-General, China Geological Survey →Chen Qishen, Chief Researcher of International Mining Research Center, China Geological Survey & Deputy Chief Editor of China Mining Newspaper : Keynote Speech</p>	<p>Chair: Zhu Zhenfang, Deputy Director General, Department of Mining Right Management of Natural Resources Ministry of China →Ms. Duan Caiqin, Deputy Director General, Tangshan Natural Resources Bureau →Guo Feng, Vice Chairman & General Manager, Shaanxi Coal Chemical and New Material Group Co.,Ltd →Wang Zongguo, Technical Director, Beijing Beiward Environmental Science and Technology Co., Ltd. →Chen Xuanqi, Director, Sichuan Qishi Equity Investment Fund Management Co. LTD →Yang Xiaodong, Deputy Director, High-quality Gravel</p>		<p>Chair: Yu Junpeng, Deputy Director, Gansu Geological Survey →Zhao Enhai, Deputy Director-General, Tianjin Municipal Bureau of Planning and Natural Resources: Welcome Remarks →Dong Taishan, Project Manager, No.2 Institute of Geology and Mineral Exploration of Gansu Geology and Minerals Bureau →Zhang Yuanning, Project Manager, No.3 Institute of Geology and Mineral Exploration of Gansu Geology and Minerals Bureau →Zhao Jichang, Deputy Division Director, Geological Survey Division of No.4 Institute of Geology and Mineral Exploration of Gansu</p>	<p>→ H.E. Diego Ramiro Guelar, Ambassador, Argentinian Embassy to China: Welcome Words →Huo Bing, Deputy Director-General, Tianjin Municipal Bureau of Planning and Natural Resources: Welcome Remarks →The Hon. Mariano Lamothé , Undersecretary, Ministry of Production and Labor of Argentina: National Policies for the Development of Mining in Argentina → Sergio Uñac , Governor, San Juan : Mining in San Juan →Julio Ríos Gómez, Director-General, Geological Mining Service Argentines (SEGEMAR) : Geological potential → Panel of Companies Participate: Barrick-Shandong</p>
--	---	---	---	--	---	--

	<p>of Coal derived solid waste treatment and mine subsidence control in Northwest China.</p> <p>→Xie Shoudong General manager , Hongda Blasting Engineering Group Co., Ltd.; Digital and Fine Management Practice and Outlook of Mine Mining and Stripping Construction</p> <p>→Zhang Xuequan, Business Line Manager of Surface and Exploration Drilling Division, Epiroc Trading Co., Ltd: Epiroc offers diversified solutions for green mines</p>			Aggregate Academician Workstation		<p>Geology and Minerals Bureau</p> <p>→Wang Yuxi, Deputy Director, Department of Mineral Geological Survey of Gansu Geological Survey</p> <p>→Shang Zhaocong, Gansu Coal Geology Bureau</p> <p>→Yuan Deyi, Project Manager, Gansu Nonferrous Metals Geological Exploration Bureau</p>	<p>Gold, Tibet Summit, Liex, Jujuy Sales.</p> <p>Assistance from the Agency of Investments and International Commerce of Argentina(AAIC) to the investor, by Ms. Lorena Do Rosario</p>
12:45-14:00	Lunch (Banquet Hall N4, 1 st Fl.)						
	Summit Forum	Forum	Summit Forum	Market and Situation	Market and Situation	Green Mines & Sustainable Development	Mining Exchange
	(Rm.N209)	(Rm.N211)	(Rm.N210)	(Rm.N212)	(Rm.N216/N218)	(Rm.N215/N217)	(Rm.N214)

	Mining Ministers Forum	Summit Forum International Geological Survey Directors Forum	Senior Corporate Executives Forum 1	Focus on High Quality Development, Explore New Pattern of Mining Finance	Global Mining Situation	Intelligent Mines (Technology & Equipment) 2	Mining in South Africa 1
14:00-15:30	<p>Chair : Zhong Ziran, Director-General, China Geological Survey</p> <p>→The Hon. Mariano Lamothe , Undersecretary of Mining Policy, Ministry of Production and Labour of Argentina</p> <p>→The Hon. Soussourou Dembele , General-Secretary, Ministry of Mines and Petroleum of Mali</p> <p>→The Hon. Zagdjav, Vice Minister of Mining and Heavy Industry of Mongolia</p> <p>→The Hon. Mohamed J. Anwar Ali Wazir, Policy Advisor of Ministry of Natural</p>	<p>Chair: Wang Yan, Deputy Director-General, China Geological Survey</p> <p>→Ms. Carvalho Elizabeth Cristina, Director-General, Geological Survey of Angola : Prospect of Angolan Geoscience and Mining Cooperation</p> <p>→Julio RÍOs GÓMez, Director-General , Geological and Mining Survey of Argentina : Argentina - China Cooperation Projects to Encourage Exploration</p> <p>→Alem Kibreab Hiyabu,</p>	<p>Chair: Wang Jionghui, Vice President of China Minmetals Corporation Limited, President of Minmetals Exploration & Development Co., Ltd.</p> <p>→John Kilroe, Director, Australasia, Rio Tinto: Exploring beneath cover</p> <p>→Li Faben, General Manager, China Molybdenum Co., Ltd.: Promote high-quality development of the mining industry by creating 5G intelligent mine</p>	<p>→Ms. Zhang Xiaoxia, Vice President, Global Listed Service of HKEX</p> <p>→Zhou Chao, Representative ,Great China Region, Ivanhoe Capital Corporation</p> <p>→Samson Li, Senior Precious Metals Analyst, Refinitiv.</p> <p>→Teng Liliang, Marketing Director, China-Africa Development Fund</p> <p>→Ms. Cheng Manjiang, Chief Economist & Managing Director, BOCI</p> <p>→Arthur Fan, Head of Global Commodities, BOCI</p> <p>→Ms. Xiao Fu, Head of Commodities Market Strategy, BOCI</p>	<p>Chair: Li Xiaobo, Deputy Director-General, Information Centre, Ministry of Natural Resources, China</p> <p>→Erik Darner, Upstream Consulting Director, IHS Markit: Global Upstream Oil and Gas Outlook & the Impact of the Energy Transition (With New Energy)</p> <p>→Mark Ferguson, Research Director, S&P Global Market Intelligence: Worldwide Exploration Trends</p> <p>→Anton Löf, Founder of RMG Consulting: The Demand for High Grade Iron Ore</p> <p>→Sophie Damm,</p>	<p>Chair : Xie Shoudong, General Manager, Hongda Blasting Engineering Group Co. , Ltd.</p> <p>→Filiberto Orrante, Chief Engineer, SGS China Co., Limited: SGS Advanced systems - Focused Optimization</p> <p>→Li Wen, Vice General Manager, Beijing Soly Technology Co., Ltd: Exploration and Realization of Intelligent Mines</p> <p>→Jarkko Ruokojärvi , Global Business Development Manager, Automation, Sandvik Mining and Rock Technology</p> <p>→James Jin, Sales</p>	<p>Chair:</p> <p>→Yang Jian, Deputy Director-General, Tianjin Municipal Bureau of Planning and Natural Resources: Welcome Remarks</p> <p>→Panel Discussion: Council for Geoscience (CGS), MINTEK South African</p> <p>→Diamond and Precious Metals Regulator (SADPMR)</p> <p>→State Diamond Trader (SDT)</p> <p>→Mine Health and Safety Council (MHSC)</p> <p>→The Department of Trade and Industry</p>

<p>Resources of Surinam →The Hon. Barnaby Bwalya Mulenga, Permanent Secretary of Ministry of Mines and Minerals Development of Zambia</p>	<p>Director-General , Ministry of Energy and Mines, State of Eritrea : Mineral Resources and Investment Opportunities in Eritrea →Mijiddorj Enkhjargal, Deputy Director-General , Mongolian Geological Survey : Prospect of Mongolian Geosciences and Mining Cooperation →Dragoman Rabrenović, Director , Geological Survey of Serbia : Geological Survey of Serbia and Mining Cooperation Prospects →Mohamed Suleiman Ibrahim, Director -General, Geological Research Authority of Sudan (GRAS):</p>	<p>→ George Fang, Executive Director & Senior Executive Vice President, Zijin Mining Group Co., Ltd. Zijin's Vision of Going Global →Wang Lijun, Standing Committee of the CCP, Board Director of Shandong Gold Group Co., Ltd. → WANG Dongbo , Director General , Mineral Resources Dept. , Aluminum Corporation of China : Promoting High Quality Development Creating a Bright Future of Mining Industry</p>		<p>Researcher of German Federal Institute for Geosciences and Natural Resource: The global graphite supply and demand situation →Yan Weidong, Director of Mineral Dept. Information Center, Ministry of Natural Resources, China: Global Mining Outlook 2020</p>	<p>Director, Kingnor Mining Equipment Co., Ltd: Underground Mining Service Vehicle Solution →Huang Shusheng, Metso Metrics Director, Metso Minerals (Tianjin) International Trade Co., Ltd: Metso Metrics →Yang Jianyao, Vice General Manager, Shaanxi Tonly Heavy Industries Co., Ltd.: Tonly Scheme of Co-Building Green & Intelligent Mine</p>	<p>(DTI) →Question & Answer Session →Closing Remarks Networking</p>
--	--	--	--	---	---	---

		Geological Survey of Sudan and Mining Cooperation Prospects → Zhao Xi Xi , Professor, Tongji University: Deep Digital Earth (DDE): Big Data Science Opportunities and Challenges. → Sign cooperation agreement.					
15:30-16:00	Coffee Break (Exhibition Hall N1, N5 1 st Fl.)						
		Geological Survey and Mineral Exploration The Progress & Achievements on Geological Survey in China	Senior Corporate Executives Forum 2	Mining Capital Market	World Mining Investment Environment	Intelligent Mines (Technology & Equipment) 3	Mining in South Africa 2
16:00-17:30		Chair: Wang Kun , Deputy Director -General, China Geological Survey → Wu Dengding , Doctorate. Deputy Chief Engineer of CGS , and Director of Chief Engineer Office of CGS,	Chair : WANG Dongbo , Director General , Mineral Resources Dept. , Aluminum Corporation of China → Wang Jianqiang , Deputy Director General of Yunnan	Chair: Ms. Shi Wen , CEO, Sinotech Silk Road Mining Consulting (Beijing) Ltd. → Li Shanquan , Senior Fund Manager, Invesco → Zhang Yunlong , Chairman & CEO ,	Chair: Cao Xinyuan , Deputy Director, Information Centre, Ministry of Natural Resources; Liu Yikang , Cohost. → Feng Rui , Chairman and CEO of Silvercorp Metals Inc / CEO of New Pacific Metals	Chair : Lu Yuanlin , Deputy General Manager, China Geological Equipment Group Co., Ltd. → Professor Hu Yule , Deep Earth Exploration Center, Chinese	Chair: →Panel Discussion: →Council for Geosciences (CGS), →MINTEK South African →Diamond and Precious Metals

	<p>China Geological Survey: Overall business layout of China Geological Survey in 2019 →Qin Xuwen, Director of Department of Geological Investigation, China Geological Survey: New progress in geological investigation →Zhang Zuoheng, Director of Department of mineral resources assessment, China Geological Survey, New Progress on Natural Resources Survey, 2018 →Ms. Xing Lixia, Director of hydrogeology and environmental geology department, China Geological Survey: Overview of hydrogeology and environmental geology survey →Zhang Yong, Deputy</p>	<p>Bureau Of Geology and Mineral Exploration , President & CEO of Yunnan Gold & Mineral Group Co., Ltd.: Developing mineral exploration techniques and laying a solid foundation of mineral resources →Dong Xin, Executive Director and President of Zhaojin Mining Industry Co., Ltd →Lai Cunliang, Deputy General Manager, Yankuang Group Co., LTD: Exploration and Practice of Globalization of Yankuang Group →Chen Anping, Board Director, China National Uranium Co., Ltd</p>	<p>Shandong Xinhai Mining Technology & Equipment Inc.: Technical Experience and Strategy of Overseas Mining Investment →Bo Shaochuan, CEO, Asia Pacific Energy Investment Co. Ltd: How This Cycle Looks So Far →Chen Deshao, Deputy President & CFO, CGN MINING COMPANY LIMITED →Lv Xiaozhao, Chairman of Chifeng Jilong Gold Mining Co., Ltd: Preliminary Discussion on Going Global and Strategy Promotion of Chinese Gold Enterprises →Han Xuefeng, Director, Jingyijinhui (Tianjin) Information</p>	<p>Corp: Risk Control in Overseas Mineral Exploration →Zhang Shunjin, General Manager, Corporate Development Department , Zijin Mining Group Co., Ltd.: Investment in Serbia →Wang Caigen, Managing Director of Tietto Minerals Limited: Gold Exploration in West Africa - Tietto Minerals' Practice and Achievement →Sun Kaibo, Chairman of Kingrock Mining Ltd.: Introduction of Mineral Resources and Mining Development Environment in Important African Country →Luan Zhengming, Director and Founding Partner of Expert Committee of Minerals and Energy, Shenzhen</p>	<p>Academy of Geological Sciences(CASG): The main technical problems of Ultra-deep scientific drilling should be paid attention to. →Zhu Jianglong, Chief Engineer, China Geo-Equipment (Beijing) Science and Technology Research Institute Co., Ltd.: Geological drilling equipment for international commercial exploration →Ms. Nina Chkan, Sales Director, Russian Drilling Consulting LLC,: Field Experience Using The Full Suite MWD-Combination of LIUHE in Russia →Yang Yang, CTO, Shanghai Boonray Intelligent Technology Co., Ltd: Intelligent strip</p>	<p>Regulator (SADPMR) →State Diamond Trader (SDT) →Mine Health and Safety Council (MHSC) →The Department of Trade and Industry (DTI) →Question & Answer Session →Closing Remarks Networking</p>
--	---	--	---	--	---	---

	Director of the Basic Geology Department, Qingdao Institute of Marine Geology, China Geological Survey: Important achievements and innovative views for 1:1000000 marine regional geological surveys in China Seas	→ Chen Lijun , Director of Marketing Department, China Railway 19 Bureau Group Mining Investment Co., Ltd : Promoting mineral resources cooperation actively , Achieving mutual benefit and win- win result , Promoting the prosperity and sustainable development of the mining industry practically	Technology Co., Ltd. & Beijing Jingyijinhui Information Consulting Co., Ltd. : Risk Prevention of Mineral Operation in Exchange rate, interest rate and the Direction of Monetary Policy.	Court of International Arbitration,: Founder and Managing Partner of Beijing Rainmaker Law Firm: The Shield of Protecting the Legitimate Rights and Interests of Overseas Mining Investment: An Introduction to Shenzhen Court of International Arbitration and International Mining Arbitration → He Jinxiang , Research fellow of Information Center, Ministry of Natural Resources, China: Mining Investment Environment in Russia	mine management system based on ubiquitous robot technology → Xue Aimin , Chairman , Beijing Petro-sound Geo-service Co., Ltd : High precision imaging of geological structures for mineral resources by using seismic frequency resonance technology	
18:00-21:00	Gala Dinner (Ball Room, 1 st Fl., Renaissance Tianjin Lakeview Hotel) (Invitation ONLY)					
Day 3, Oct.11, 2019 Friday						
	Geological Survey and Mineral Exploration	Market and Situation	Mining Exchange	Green Mines & Sustainable Development		
	(Rm.N214)	(Rm.N211)	(Rm.N210)	(Rm.N212)		

		China's Mining Administration Regulations & Policies 1	Mining in Canada	Natural Resources Information Sharing and Sustainable Development Seminar under ASEAN Summit
09:00-10:30		<p>Chair: Chi Hengwei, Deputy Director -General, Laws and Regulations Dept. Ministry of Natural Resources, China</p> <p>→Wei Tiejun, Deputy Director-General, of Information Center, Ministry of Natural Resources, China : New policy system of mining law</p> <p>→Ms. Liu Yanfen, Dputy General Manager of Legal Affairs Department, Shandong Gold Group Co., Ltd. : Mining enterprises need specialized legal services</p> <p>→Cao Xusheng, Director or Minerals Department of Beijing Jingshi Law Firm & Deputy Director of the Legal Professional Committee of the China Mining Association: Reflections and suggestions on the yield of mining right transfer</p> <p>→Ms. Wang Zhenhua, Partner, ZHONG LUN LAW FIRM: Ten Practical Issues of Mining Rights which shall Be Concerned in the Revising Process of</p>	<p>1.Welcome Remarks Mr. Jason Reeve, Counselor (Commercial) and Senior Trade Commissioner, Embassy of Canada to China</p> <p>2.Mining the Future Mr. Rory Gilsean, Director General, Natural Resources Canada</p> <p>3.Panel Session: Canada's Mining Ecosystem Moderator: Mr. Mark Phelps, Trade Commissioner, Embassy of Canada</p> <p>Panelists: Mr. Gerry Zhao, Director, International Trade and Investment Office, British Columbia Mr. Meng Lingshi, Senior Business Development Officer, Investissement Québec</p> <p>4. Canada's Mining Leaders –</p>	

		<p>the Mining Law System →Shen Sheng, Member of Legal Expert Committee of China Mining Association, Partner of Beijing Yuren Law Firm, Director of Mineral Resources Law Research Center: Research on Legal Issues of Compensation for overlapped or expropriated mining rights</p>	<p>Innovation and Investment Opportunities Cypher Environmental – Mr. Todd Burns, President KTC Sundune Solutions – Mr. Robert Cen, President Margaux Resources – Mr. Kaesy Gladwin, Senior Geologist E2Metrix – Mr. Marco Polverari, Vice-President Strategic and Business Development 5.Prospectors & Developers Association of Canada (PDAC) Annual Exploration Update Mr. Keith Spence, Chairman, Prospectors & Developers Association of Canada - International Affairs 6.Keys for Success in Canada’s Minerals and Metals Sector Mr. Brett Kagetsu, Partner, Gowling WLG</p>	
10:30-11:00	Coffee Break (Exhibition Hall N1, N5 1 st Fl.)			

	<p>Press Conference on Global Mining Information Service Platform</p>	<p>China's Mining Administration Regulations & Policies 2</p>	<p>Mining in Australia</p>	
<p>11:00-12:30</p>		<p>Chair: Chi Hengwei, Deputy Director -General, Laws and Regulations Dept. Ministry of Natural Resources, China →Ms. Chen Liping, Strategy and Reform Research Office of Information Center, Ministry of Natural Resources, China →Anthony Latimer, Partner, Bird & Bird Law Firm: Thoughts on investing in Australia →Ms. Niu Lixian, Partner and Attorney at Law of Beijing Deheng Law Office: The Compliance Risk Management of International Mining Investment and Operations →Peter Corne, Management Partner of Dorsey & Whitney LLP, Arbitrator of Shanghai International Arbitration Center, Member of Mineral Energy Professional Committee of Shenzhen Court of International Arbitration, Associate Professor of New York University: →Qian Xuekai, Deputy Director of Legal Expert Committee of China Mining</p>	<p>Chair: Ms. Gaomai Trench, Senior Manager Mineral Promotion, Geological Survey of Western Australia →Allison Britt, Section Leader, Resources Advice and Minerals Promotion, Geosciences Australia : Minerals supply for world development, financial security and new technology →Henry Wang, Senior Investment Commissioner, Austrade : Navigating the Next Phase: Cooperating with Chinese companies to overcome challenging times →Stephen Durkin, CEO, AusIMM : JORC Code mining standard and how it' s used for investor assurance in Australasia →Calvin Ho ,Partner, Herbert Smith Freehills : How to invest in Australia →Ms. Gaomai Trench, Senior Manager Mineral Promotion, Geological Survey of Western Australia : Mineral opportunities for today</p>	

	Association, Senior Partner of Beijing Dacheng (Dentons) Law Offices LLP: Dispute Resolution Mechanism in respect of Overseas Mining Investments and Investor's Rights Protection → Luan Zhengming , Executive Director of Legal Expert Committee of China Mining Association, Executive Director of Shenzhen Court of International Arbitration, Founder and Managing Partner of Beijing Rainmaker Law Firm	→ Andrew McNeill , Manager Geoscience and Chief Government Geologist, Mineral Resources Tasmania : High-quality minerals for emerging technologies and renewables → Baohong Hou , Senior Principal Geoscientist, Government of South Australia : Resurgence of mineral exploration in Australia	
12:30-14:00	Lunch (Banquet Hall N4, 1 st Fl.)		
	Popular Science Lecture		
	(Rm.N211/N209)		
14:00-15:00	The Brief History of Diamond Development		
	→ Yang Ruping , Vice President, Gems and Jewelry Trade Association of Tianjin		
15:00-16:00	About Lithium		
	→ Wang Denghong , Research Fellow, Institute of Mineral Resources, Chinese Academy of Geological Sciences(CAGS)		
16:00-17:00	The Coastal Zone and Environment		
	→ Ms. Li Jianfen , Professor Senior Engineer, Tianjin Center, China Geological Survey (CGS)		

(Note: The above content is updated to Oct.8, 2019. All is subject to actual program during the event. The Organizing Committee reserves the right to revise and explain the program.)
